Hit a Child With a Brick. VINCENNES, Ind., Feb. 6.-Thomas Brock, a young farmer at Decker, this evening threw a brick at boys who used him for a snowball target. The brick struck Bertha Smith, five years old, in the temple, inflicting fatal injuries. 'Squire

Sage is holding Brock under \$500 bond. The Secret of Long Life and How to Overcome Waste.

To "Know thyself," is to take advantage of life's secrets and equip one's self with an armor which will successfully resist the attack of disease in the battle of life. The old idea of fate or "kismet," and that a person always dies when his time comes, is now exploded. Every mechanism, whether made by God or man, has a definite amount of wear and its life can be lengthened or shortened according to the care that is given it. If ac-

cident or carelessness destroys the works of the watch or the human mechanism an end comes to its usefulness, but it has not actually "worn out." Man's system at times gets rusty like the wheels of the watch and only needs a little cleaning and oiling to put it in shape for life's battles. An imitation of nature's method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alterative extract of herbs and roots, without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine coaxes the digestive functions and helps in the

nutriment the blood requires. Prof. J. E. Tauguay, of 61 St. Peter Street, Quebec, writes: "I had been ill for some time with La Grippe and did not regain my strength. Within a week after using Dr. Pierce's Golden Med-ical Discovery, I was able to be around again, and I found that my system was entirely free from any of the bad effects of La Grippe. I now keep a bottle of the 'Golden Medical Discovery' on hand, and, when I catch cold, take a few doses, which keeps me in perfect health As a builder up of lost strength and vitality do not believe your 'Discovery' has an equal.' Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. Dr. Pierce's Pleasant Pellets, the best laxative for old people.
